6.2 TECHNICAL EVALUATION CRITERIA

In order to facilitate the technical proposal evaluation, the technical criteria laid down along with the assigned weights have been presented in subsequent section. The marking scheme presented here is an indication of the relative importance of the evaluation criteria. During evaluation of proposals, OCAC, may, at its discretion, ask the bidders for clarification of their Technical Proposals. Bidders securing above 70% marks in the technical evaluation will only be considered for further financial bid evaluation. Bids or Tenders which don't secure the minimum specified technical score will be considered technically non-responsive and hence shall be debarred from being considered for financial evaluation.

In addition, the type of resources deployed for executing job work and addressing risk for smooth delivery. Experience in Product Development etc.</p>		

1. All the bidders who secure a Technical Score more than **70%** will be declared as technically qualified
2. The Commercial bids of only the technically qualified Bidders will be opened for further processing.
3. All the technically qualified bidders to match the L1 rates (against respective tier as well as respective resource category) for empanelment after opening of commercial bid.
4. The bidder have to mention the expertise on the technology stack such as GIS, Java, PHP, .NET, Ruby, BI etc and Prioritize the technology as mentioned in Clause 9.7.3

5. Mere empanelment with OCAC/Govt. of Odisha does not guarantee allocation of work.

6.3 FINANCIAL BID EVALUATION CRITERIA

1. The Financial Bids of the technically qualified bidders (**those have secured more than 70 marks in technical evaluation**) will be opened on the prescribed date in the presence of bidders' representatives.
2. If OCAC considers necessary, revised Financial Bids can be called from the technically shortlisted Bidders, before opening the original Financial Bids. In that case, the revised bids should not be higher than the original bids (except in case of increase in Govt. tax / levies) otherwise the bid will be rejected & EMD will be forfeited of such defaulting bidders, if any.
3. There will be NO NEGOTIATION regarding the financial bid. However, if the Evaluation Committee finds the L1 rates (under different tiers) unreasonably higher than the market rates, it may call for NEGOTIATION of the rates quoted.
4. The bid price will be exclusive of all taxes and levies and shall be in Indian Rupees.
5. Any conditional bid would be rejected.
6. Errors & Rectification: Arithmetical errors will be rectified on the following basis: "If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail".
7. For each tier, an L-1 bidder will be identified, based on the Financial Bid.

6.4 SELECTION OF L1 VENDOR

1. The man month rates quoted by bidders in each category of resources will be multiplied by 'multiplication factor' of respective category of resources to get "total cost". Total cost of each category of the resources will be added to get the Gross Total Value (GTV_{RES}) of resources.
2. After adding Annual Maintenance Cost (AMC) in percentage, the Gross Total Value (GTV) will be calculated.

Empanelment of Software Development Firms // Ref No.: OCAC-SEGP-SPD-0044-2022-23001

3. The Average Bid Price for each Tier shall be computed by adding all Gross Total Values (GTV) of all the qualified bidders and dividing the same by the number of such bidders.
4. However, bidders whose Financial Bids have Gross Total Value (GTV) that is less than 0.5 times of the Average Bid Price or above 1.5 times of the Average Bid Price will be disqualified. For example, if the Average Bid price among 10 bidders is ₹5,00,000/-, the bidders those have quoted GTV less than ₹2,50,000/- or GTV more than ₹7,50,000/- will be disqualified.
5. L1, L2, L3, L4..... vendors will be decided on the basis of the lowest Gross Total Value (GTV) submitted by all Technically Qualified Bidders as determined from above points.
 - a. The bidder quoting the lowest rates of GTV in each tier in the Financial Bid shall be selected as L1 for respective tier.
 - b. Once L1 rates are finalized as per procedure defined in this section, other shall be given the option to match L1 rates and get Empanelled with OCAC. It shall be obligatory on the part of the empanelled bidders to match the lowest rate (L1).
6. In case any bidder has failed to quote for any/all the items in the Commercials, the bid submitted by that bidder will be rejected and its EMD will be forfeited, if any. In the event wherein the L1 bidder fails to provide complete details as per Commercials, then the L1 bidder would be selected from other Qualified bidders as per above.
7. A panel of bidders for each Tier will be formed by giving successive opportunity to L2, L3, L4, L5.... bidders to match the lowest unit rates finalized as above.
8. If L1 bidder fails to accept the individual unit rates rationalized as per above procedure, their bid will be treated as cancelled and EMD will be forfeited, and/or initiate action as per Bid security declaration.
9. Multiplication Factors

SN	Particulars	Multiplication Factor

The PBG must be from the nationalized bank in India. This Performance Bank Guarantee (PBG) shall remain valid for 60 days beyond the entire contractual obligation. Failure of submission PBG within the specified time period may lead to cancellation of the Work Order.

7.3 AWARD CRITERIA

The bidders have to sign an agreement with OCAC for empanelment. Contract would be signed taking into account the relevant clauses of RFP, Pre-bid clarifications, Corrigendum, the proposal of the bidder in addition to other agreed clauses. Master Service Agreement (MSA) would be signed for entire period. Mere empanelment with OCAC/Govt. of Odisha does not guarantee allocation of work.

7.4 PAYMENT TERMS

1. The department have right to choose any of the following methodologies for release of payment to the agency after finalisation of cost of the assignment.
 - a. Release of payment on the basis of deliverables
 - b. Release of payment on quarterly basis on man-month rates
2. Release of the payment on the basis of the deliverables

In case user department has decided to release the payment on the basis of deliverables for a particular assignment, payment will be released on following manner:

SL#	Deliverables	% of total cost of assignment
i.	After submission of SRS/FRS and prototype demonstration	20%
ii.	After UAT	20%
iii.	After successful running of application/website for 3 months from the date of Go-live (Go-live criteria to be defined by user department based on the requirement) or date of launching of application by the department which one is earlier.	50%
iv.	After 12 months from the date of Go-live or submission of Performance Bank Guarantee of equivalent amount.	10%

3. Release of the payment on quarterly basis on man-month rate
 - a. The payment will be released on a quarterly basis by the concern departments on the basis of the man-month rates as per resources engaged.
 - b. If the duration of engagement of resources is less than three months, payment will be made after completion of work and/or pro-rata basis.
4. In addition to the methodologies mentioned above (SI-2 & SI-3) the payment term can also be fixed for a project with mutual consent of both the purchaser and the software development firm during issuance of PO for a new project.
5. Payment will be made within 30 days of submission of invoice along with all required supporting documents.
6. All payments will be made subject to TDS (Tax deduction at Source) as per the income- Tax Act
7. Any payment related issues shall be resolved by Secretaries of concern department.
8. The Selected Agency shall submit the requisite deliverables and satisfactorily perform work as specified under the Contract to the Purchaser. The requisite payment will be released by the Purchaser upon acceptance of the deliverables and satisfaction with work performed by the Selected Agency.
9. If the deliverables submitted / work performed by the Empanelled Agency is not acceptable to the Purchaser, payments shall not be released to the Empanelled Agency. This is without prejudicing the Purchaser's right to levy any Penalties based on the Service levels agreed between the Purchaser and the Empanelled Agency. In such case, the payment will be released to the Empanelled Agency only after it re-submits the deliverable / performs work and which is accepted by the Purchaser.

7.5 PENALTY FOR DELAYS

1. Project assignments to the empanelled agencies will be on the basis of time/resource estimates defined by respective Departments. Each project, therefore, will have a definite date of project completion.

Empanelment of Software Development Firms // Ref No.: OCAC-SEGP-SPD-0044-2022-23001

2. The Department and empanelled agency may undergo to a Non-disclosure agreement with appropriate Service Level Management with penalty terms at the time of awarding of work; however generally, for any time slippages, the agencies can induct more resources at their cost to meet the time schedules.
3. Project delays on account of the agencies will attract a penalty of 0.5% (point five percent) per week of the total project value for up to 30 days beyond which the Department will be free to get the job done from any one of the remaining empanelled agencies. However, the maximum ceiling limit of the penalty would be 10% of the contract value (excluding taxes) of the respective assignment/project.
4. In addition to the methodology mentioned above (SI-3) the SLA can also be fixed for a project with mutual consent of both the purchaser and the software development firm during issuance of PO for a new project. However, the maximum ceiling limit of the penalty would be 10% of the contract value (excluding taxes) of the respective assignment/project.

8.5.1 Empanelment Guarantee
