4.2 Project Background

4.2.1 About OCAC

The Department of Electronics & Information Technology is the nodal department for Government of Odisha in the matters of IT, ITES and Communication. The department plays a vital role in formulating and implementing policy matters in Information Technology, ITES, Electronics and Telecom; promotion of Odisha as an ultimate ICT destination for investment and facilitating ICT industries; assisting other department for effective e-Governance and capacity building; Promotion of ICT based education in the State.

Odisha Computer Application Centre (OCAC), the Technical Directorate of Electronics & Information Technology Department, Government of Odisha, has evolved through years as a Centre of Excellence in IT solutions and e-Governance. It has contributed significantly to the steady growth of IT in the state. It helps IT to reach the common citizen so as to narrow down the Digital Divide and widespread applications of IT in establishing a system where the citizens are receiving good governance in addition to ensuring speed of decisions from a transparent Government through an effective e-Governance System.

OCAC on behalf of Govt. of Odisha intends to implement **VATIS Web Application for CT & GST Department, Govt. of Odisha**. This will be a robust platform with upgraded technology & improved performance, making it more user friendly. OCAC is pleased to engage qualified and preferred system integrator to execute this project.

4.2.2 Project Profile

With an aim to design and develop one unified integrated solution as per latest technical standards to meet the requirement of CT & GST Department. Combining two disparate applications into a single integrated application offers several benefits that enhance efficiency, user experience, and overall productivity. Firstly, integration eliminates the need for separate logins and interfaces, streamlining access to multiple functionalities within a unified environment. Users no longer need to switch between different applications, reducing complexity and saving time. Additionally, data integration enables seamless data flow and real-time synchronization between the previously separate applications, eliminating data silos and reducing the risk of inconsistencies or errors. This enhanced data visibility and

accessibility allow for better decision-making and more accurate reporting. Furthermore, an integrated application promotes process automation, as workflows can span across previously disconnected systems, resulting in improved operational efficiency and reduced manual effort. It also enables the utilization of shared resources, such as user authentication, security controls, and infrastructure, leading to cost savings and simplified maintenance. Overall, combining two disparate applications into a single integrated application fosters a cohesive user experience, improves data consistency, streamlines processes, and optimizes resource utilization, resulting in enhanced productivity and better business outcomes.

5. Instruction to the Bidders

5.1 General

- a. While efforts have been made to provide comprehensive and accurate background information, requirements and specifications, Bidders must form their own conclusions about the solution needed to meet requirements. Also, bidders may wish to consult their own legal advisers in relation to this RFP.
- b. All information supplied by Bidders may be treated as contractually binding on the Bidders, on successful award of the assignment by OCAC on the basis of this RFP.

 - v. A Proposal contains deviations (except when provided in conformity with the RFP) conditional offers and partial offers.

5.5 Submission of proposal

5.5.1 Instruction to Bidders for Online Bid Submission

e-Nivida is a complete process of e-Tendering, from publishing of tenders online, inviting online bids, evaluation and award of contract using the system. The instructions given below are meant to assist the bidders in registering on e-Nivida Portal and submitting their bid online on the portal.

More information useful for submitting online bids on the e-Nivida Portal may be obtained at: <https://enivida.odisha.gov.in>

5.5.2 Guidelines for Registration

- a. Bidders are required to enroll themselves on the eNivida Portal <https://enivida.odisha.gov.in> or click on the link "Bidder Enrolment" available on the home page by paying Registration Fees of Rs. 2,500/- + Applicable GST.
- b. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- c. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication with the bidders.
- d. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Only Class III Certificates with signing + encryption key usage) issued by any Certifying

Authority recognized by CCA India (e.g. Sify/ TCS / nCode/ eMudhra etc.), with their profile.

- e. Only valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- f. Bidder then logs in to the site through the secured log-in by entering their user ID /password and the password of the DSC / e-Token.
- g. The scanned copies of all original documents should be uploaded in pdf format on e-tender portal.
- h. After completion of registration payment, bidders need to send their acknowledgement copy on our help desk mail id odishaenivida@gmail.com for activation of the account.

5.5.3 Searching for Tender Documents

- a. There are various search options built in the e-tender Portal, to facilitate bidders to search active tenders by several parameters.
- b. Once the bidders have selected the tenders they are interested in, then they can pay the Tender fee and processing fee (NON-REFUNDABLE) by net-banking / Debit / Credit card then you may download the required documents / tender schedules, Bid documents etc. Once you pay both fees, tenders will be moved to the respective 'requested' Tab. This would enable the e-Tender Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

5.5.4 Preparation of Bids

- a. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- b. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid.
- c. Bidder, in advance, should get ready with the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF formats. Bid Original documents may be scanned with 100 dpi with Colour option which helps in reducing size of the scanned document.
- d. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, GST, Annual reports, Auditor Certificates etc.) has been provided to the bidders. Bidders can use "My Documents" available to them to upload such documents.
- e. These documents may be directly submitted from the "My Documents" area while submitting a bid and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process. Already uploaded documents in this section will be displayed. Click "New" to upload new documents.

5.5.5 Submission of Bids

- a. Bidder should log into the website well in advance for the submission of the bid so that it gets uploaded well in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- b. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document as a token of acceptance of the terms and conditions laid down by Department.
- c. Bidder has to select the payment option as per the tender document to pay the Tender fee / Tender Processing fee & EMD as applicable and enter details of the instrument.
- d. In case of BG, bidder should prepare the BG as per the instructions specified in the tender document. The BG in original should be posted/couriered/given in person to the concerned official before the Online Opening of Financial Bid. In case of non-receipt of BG amount in original by the said time, the uploaded bid will be summarily rejected.
- e. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the yellow colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
- f. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- g. The uploaded bid documents become readable only after the tender opening by the authorized bid openers.
- h. Upon the successful and timely submission of bid click "Complete" (i.e. after clicking "Submit" in the portal), the portal will give a successful Tender submission acknowledgement & a bid summary will be displayed with the unique id and date & time of submission of the bid with all other relevant details.
- i. The tender summary has to be printed and kept as an acknowledgement of the submission of the tender. This acknowledgement may be used as an entry pass for any bid opening meetings.

5.5.6 Clarifications on using e-Nivida Portal

- a. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

- b. Any queries relating to the process of online bid submission or queries relating to e-tender Portal in general may be directed to the Helpdesk Support.

Please feel free to contact e-Nivida Helpdesk (as given below) for any query related to e-tendering.

Phone No.: 011-49606060

- b. The bids submitted in hard copy or by post/e-mail etc. shall not be considered and no correspondence will be entertained on this matter.
- c. OCAC reserves the right to modify and amend any of the above-stipulated condition/criteria depending upon project priorities vis-à-vis urgent commitments.

5.5.10 Proposal Preparation Costs

The bidder shall be responsible for all costs incurred in connection with participation in the RFP process, including, but not limited to, costs incurred in conduct of informative and other diligence activities, participation in meetings or discussions or presentations, preparation of Proposal, in providing any additional information required by OCAC to facilitate the evaluation process, and in negotiating a definitive contract or all such activities related to the bid process.

OCAC will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

5.5.11 Language

The Proposal should be filled by the Bidder in English language only. If any supporting documents submitted are in any language other than English, translation of the same in English language is to be duly attested by Bidders. For purposes of interpretation of the Proposal, English translation shall govern.

5.5.12 Acceptance and Rejection of Bids

OCAC reserves the right to reject in full or part, any or all bids without assigning any reason thereof. OCAC reserves the right to assess the Bidder's capability and capacity. The decision of OCAC shall be final and binding. Bid should be free of overwriting. All measures, correction or addition must be clearly written both in words and figures and attested. Offers not submitted in prescribed manner or submitted after due date and time are liable to rejection.

5.6 Evaluation Process

- a. OCAC will constitute a Proposal Evaluation Committee to evaluate the responses of the bidders.
- b. The Proposal Evaluation Committee constituted by OCAC shall evaluate the responses to RFP and all supporting documents/ documentary evidence. Inability to submit requisite supporting documents/ documentary evidence, may lead to rejection of the bid.
- c. The decision of Proposal Evaluation Committee in evaluation of responses to the RFP shall be final. No correspondence will be entertained outside the process of negotiation/ discussion with the Committee.
- d. The Proposal Evaluation Committee may ask for meetings with the Bidders to seek clarifications on their proposals, if required.
- e. The Proposal Evaluation Committee reserves the right to reject any or all proposals on the basis of any deviations.
- f. Each of the responses shall be evaluated as per the criteria and requirements specified in this RFP.

- g. Initial bid scrutiny will be held, and incomplete details as given below will be treated as nonresponsive if proposals are:

6.4.1. All the bidders who secure a Technical Score of 70% or more will be declared as technically qualified.

6.4.2. The bidder with highest technical bid (H1) will be awarded 100% score.

6.4.3. Technical Scores for other than H1 bidders will be evaluated using the following formula:

a. $T_n = \left\{ \frac{\text{Technical Bid score of the Bidder}}{\text{Highest technical evaluation marks}} * 100 \right\} \% \text{(Adjusted to two decimal places)}$

d. The commercial bids of only the technically qualified bidders will be opened for further processing.

6.5. Evaluation of Commercial Bids

- 6.5.1. The Commercial Bids of technically qualified bidders (i.e. Bidders with more than 70 marks in Technical Evaluation) will be opened on the prescribed date in the presence of bidder representatives.
- 6.5.2. Only fixed price financial bids indicating total price for all the deliverables and services specified in this bid document will be considered.
- 6.5.3. Any conditional bid would be rejected.
- 6.5.4. Commercial bids whose value is less than 30% or more than 30% of the average bid price will be disqualified (the average price shall be computed by adding all commercial bidvalues of the technically qualified bidders' and dividing the same by number of qualified bidders).
- 6.5.5. Errors & Rectification: Arithmetical errors will be rectified on the following basis: "If there is a discrepancy between the unit price and total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail. If the bidder does not accept the correction of error, its bid will be rejected".
- 6.5.6. If there is no price quoted for certain material or service, the bid shall be declared as disqualified.
- 6.5.7. In the event that there are 2 or more bidders having the same value in commercial bid, the bidder securing highest technical score will be adjudicated as "Best responsive bid" for award of the Project.
- 6.5.8. The bidder with lowest qualifying financial bid (L1) will be awarded 100% score. Financialscore for other bidders will be evaluated using the following formula:

$$F_n = \left\{ \left(\frac{\text{Financial Bid of L1}}{\text{Financial Bid of Bidder}} \right) * 100 \right\} \%$$

6.6. Final Evaluation of Bids

- 6.6.1. The technical and financial evaluation scores secured by each bidder will be added using weightages of 70% and 30% respectively to compute composite score. The composite score will be computed as under:

$$B_n = 70\% * T_n + 30\% * F_n$$

- 6.6.2. The bidder securing highest composite score will be adjudicated as most responsive bidder for award of project.
- 6.6.3. In case of a tie between bidders, the bidder with the highest Technical Scores will be considered.

7. Appointment of System Integrator

7.1 Award Criteria

OCAC will award the Contract to the successful bidder whose proposal has scored the highest composite score and would consider it as substantially responsive as per the process outlined above.

7.2 Right to Accept Any Proposal and to Reject Any or All Proposal(s)

OCAC reserves the right to accept or reject any proposal, and to annul the tendering process/public procurement process and reject all proposals at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for OCAC action.

7.3 Purchaser's Procurement Rights

Without incurring any liability, whatsoever to the affected bidder or bidders, the Purchaser reserves the right to:

- a. Amend, modify, or cancel this tender and to reject any or all proposals without assigning any reason.
- b. Change any of the scheduled dates stated in this tender.
- c. Reject proposals that fail to meet the tender requirements.
- d. Exclude any of the module(s)
- e. Remove any of the items at the time of placement of order.
- f. Increase or decrease no. of resources supplied under this project.
- g. Should the Purchaser be unsuccessful in negotiating a contract with the selected bidder, the Purchaser will begin contract negotiations with the next best value bidder in order to serve the best interest.
- h. Make typographical correction or correct computational errors to proposals.
- i. Request bidders to clarify their proposal.
- j. The Purchaser understands and appreciates that the proposal is for an integrated application and the change / addition / deletion as per above shall not result in change of the overall scope of the Project for which the RFP is sought.

7.4 Notification of Award

Prior to the expiration of the proposal validity period, OCAC will notify the successful bidder in writing or by fax or email, that its proposal has been accepted. In case the tendering process/ public procurement process has not been completed within the stipulated period, OCAC may like to request the bidders to extend the validity period of the bid.

The notification of award will constitute formation of the Contract. Upon the successful bidder's furnishing of Performance Bank Guarantee (PBG), OCAC will notify each unsuccessful bidder and return their EMD.

7.5 Contract Finalization and Award

OCAC may also like to reduce or increase the quantity of any item in the Scope of Work defined in RFP. Accordingly, total contract value may change on the basis of rates defined in the financial proposal.

7.6 Performance Guarantee

- a. Selected Service to provide Performance Bank Guarantee (PBG), within 15 days from the date of notification of award to OCAC.
- b. PBG would be 10% of the total Project cost and valid for **50 months**.
- c. The selected bidder shall be responsible for extending the validity date and claim period of the Performance Guarantee as and when it is due on account of non-completion of the service during the work order period.
- d. In case the selected bidder fails to submit performance guarantee within the time stipulated, OCAC at its discretion may cancel the order placed on the selected bidder and/or forfeit the EMD after giving prior written notice to rectify the same.
- e. OCAC shall invoke the performance guarantee in case the selected bidder fails to discharge their contractual obligations during the period or OCAC incurs any damages due to bidder's negligence in carrying out the project implementation as per the agreed terms & conditions.

7.7 Signing of Contract

After OCAC notifies the successful bidder that its proposal has been accepted, OCAC shall enter into a contract with the successful bidder, incorporating all clauses, pre-bid clarifications and proposal of the bidder.

7.8 Failure to Agree with the Terms and Conditions of the RFP

Failure of the successful bidder to agree with the draft legal agreement and Terms & Conditions of the RFP shall constitute sufficient grounds for the annulment of award, in which event OCAC may call for new proposals from the interested bidders. In such a case, OCAC shall invoke the PBG of successful bidder.
